“

**WE SERVE TO ACHIEVE
CUSTOMERS' EXCELLENCE
&
WE SERVE TO ACHIEVE
CUSTOMERS' SATISFACTION**

CORPORATE LEADERS

MADAM LAKSHMI DEVI

(Chairman)

Since its foundation in 1999, the Group's business has grown exponentially. Projections for the next few years suggest the expansion is set to continue. The back-story to our success is the growth of Manufacturing & Construction Industries. Their demand for our services places an ever-growing demand on the nation's infrastructure, in terms of Manpower, Consultant, Accommodation and Transportation services.

The Government has struggled to keep pace and, as a result, invited the private sector to contribute. The opening up of the energy and infrastructure markets is a huge opportunity for PUNCAK GEMILANG VENTURES (M) SDN. BHD.

With success comes responsibility, so we take care to reinvest in protecting and developing the communities within which we operate. We live and work in the communities where our operations are based and take our responsibilities to society seriously.

CORPORATE LEADERS

CHARLES CHANDRAN
S/O RAJAH SAMUEL
(C.E.O / Chief Executive Director)

He has been MD and CEO of several companies for more than 20 years and has vast experience in managing service-oriented business.

He belongs to a brand of visionary and enterprising business leader that every progressive company would wish to associate with. Firmly guided by the "customer is the most important" approach to doing business, he has a passion for service excellence and customer satisfaction. He also has vast experience in HR Management of foreign and local workers and his core area of expertise include selection, recruitment, performance development, KPI management, employee relations and employment counseling.

TS. RINAL SHAH, PMP
(Business Development Director)

With more than 11 years of experience in the construction industry, he has developed extensive expertise in construction manpower solutions and project-based workforce management.

He is a dynamic and results-driven business development professional with strong expertise in manpower solutions for complex construction projects. He has worked closely with Main Contractors, Subcontractors, Consultants and Developers across various sectors. His core expertise includes construction manpower planning, recruitment and deployment, workforce coordination, project resource planning, client relationship management and business development. With a customer-focused approach, he is committed to providing the right people at the right time while building long-term partnerships through trust, responsiveness and service excellence.

CORPORATE LEADERS

MR RAMESH CHARLES CHANDRAN

(Project Director)

With more than 10 years of professional experience, Mr. Ramesh is an experienced Project Director with strong expertise in Human Resource Management and workforce operations.

He has extensive experience in manpower management, recruitment, employee relations and workforce deployment across various projects. With a practical and people-focused approach, he supports effective manpower planning, workforce coordination and smooth project operations while ensuring service excellence and alignment with client expectations. He is committed to building strong working relationships and delivering reliable workforce solutions.

EN. MOHD NORDIN B. MOHAMMED TAIB

(Consultant)
